## SENATE CONCURRENT RESOLUTION

---

A CONCURRENT RESOLUTION urging the O'Bannon Administration to make clean manufacturing a priority for state environmental and economic policy.

*Whereas, The programs of the Indiana Clean Manufacturing Technology and Safe Materials Institute located at Purdue University have consistently demonstrated the economic and environmental advantages of adoption of clean manufacturing technologies and measure by Indiana industry;*

*Whereas, No other state program is designed to achieve the simultaneous goals of enhanced environmental quality and improved profitability with respect to production process wastes, emissions, and discharges; and*

*Whereas, Clean manufacturing reduces worker exposure to harmful industrial materials and wastes: Therefore,*

*Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:*

- 1 SECTION 1. That the Indiana Senate urges the O'Bannon
- 2 Administration to restore all reverted funds to the Indiana Clean
- 3 Manufacturing Technology and Safe Materials Institute since 1996.
- 4 SECTION 2. That the Indiana Senate urges the O'Bannon
- 5 Administration make clean manufacturing an economic and
- 6 environmental policy priority for the State of Indiana by supporting tax
- 7 incentives for investment in clean manufacturing and increasing the
- 8 budget of the Indiana Clean Manufacturing Technology and Safe
- 9 Materials Institute in the 2003-2005 biennial budget.
- 10 SECTION 3. That copies of the resolution be transmitted by the

1 Clerk of the Senate to the Governor of the State of Indiana.
